*you do not need to use this template; we also accept direct images of designs or images created in digital art software.

DESIGN YOUR OWN BOTTLE

Versa Design Your Own Bottle Competition Terms and Conditions

1. The promoter is Seymour's Distributing Company, trading as Seymour's ("the Promoter").
2. Entry into the competition confirms acceptance of these Terms and Conditions. As entrants are under 18, entries must be submitted with the permission of a parent or legal guardian. The parent or guardian agrees to these Terms and Conditions on the child's behalf.
3. The competition is open to New Zealand residents aged 5 to 14 years inclusive at the time of entry. Employees of the Promoter and their immediate families are not eligible to enter.
4. The competition opens on the 25th September 2026, and closes at 11.59pm NZDT on Sunday 11 October 2026. Entries received after this time will not be accepted.
5. To enter, entrants must create an original bottle design, either using the official Versa template or as a standalone artwork, and upload a clear photograph, scan or digital image through the competition entry form. If the official template is not used, the entrant's first name and age must be clearly shown in the bottom-left or bottom-right corner of the submitted image without overlapping the design. Entry is free and no purchase is required.
6. Each child may submit one entry.
7. The design must be created by the child and may be hand-drawn or digitally drawn. A photograph or scan may be used to submit the completed design, but photographs cannot form part of the bottle artwork itself.
8. Each design must be the entrant's own original work. Entries must not include licensed or copyrighted characters, existing brand logos, stock artwork or other material belonging to someone else. Entries must not contain anything offensive, unlawful or otherwise unsuitable.
9. One winner will be selected after the competition closes. The winner's parent or guardian will be contacted using the details provided with the entry. If the Promoter cannot contact the winner or confirm their eligibility within seven days, another winner may be selected.
10. The prize consists of:
 - One Versa bottle featuring a print based on the winning design; and
 - One Versa goodie box containing a selection of Versa products chosen by the Promoter.
11. The prize is not transferable, exchangeable or redeemable for cash. If a goodie box item becomes unavailable, the Promoter may replace it with an item of equal or greater value.
12. One custom bottle will be created for the winner. The winning design will not be commercially sold as part of this competition.
13. The Promoter may make reasonable changes to the winning artwork so it can be printed correctly. This may include simplifying details or adjusting colours, sizing, positioning or layout. The Promoter will aim to retain the overall look and character of the child's design.
14. The winning bottle will be custom-made and must go through artwork preparation, factory production and delivery. This may take longer than standard prize delivery, and an exact completion date cannot be guaranteed. The Promoter will keep the winner's parent or guardian informed and provide updates throughout the process.
15. Ownership of each design remains with the entrant. By entering, the entrant's parent or guardian gives the Promoter permission to reproduce, adapt and display the design for the purpose of administering and promoting the competition and producing the winning bottle.
16. The Promoter may share the winning design and the winner's first name and age on its website and social media channels. The child's surname, contact details or photograph will not be published without separate permission from their parent or guardian.
17. Personal information will be collected and used only to administer the competition, verify eligibility, contact the winner, deliver the prize and promote the result as described above. It will not be used for marketing without separate consent. Requests to access or correct personal information can be sent to marketing@seymourglobal.com.
18. The Promoter may reject entries that are incomplete, illegible, submitted late or do not comply with these Terms and Conditions.
19. If circumstances outside the Promoter's reasonable control prevent the competition from proceeding as planned, the Promoter may amend, suspend or cancel it and will communicate any material changes.
20. This promotion is not sponsored, endorsed, administered by or associated with Facebook or Instagram. Entrants release Facebook and Instagram from responsibility associated with this promotion to the extent permitted by law.
21. These Terms and Conditions are governed by New Zealand law.
